At this time we had breakfast together in the bus. At 10.00 am we were reached at our picnic venue. Then all the game segment started.

There was three categories in the game show. First segment was for kits, 2nd category was for female and 3rd category was male. After all the game segment.

There was buffet lunch arrangement. After lunch hour they arrange concert for entertainment everyone enjoyed a lot.

At the ending part there was two more segments, which is prize giving ceremony and refill draw. After finished all the segment in the evening we came safely. Everyone spend the day peacefully. The day will be memorable for us.

WINGS Group Meeting with Managing Director

WLC Team Meeting with Managing Director

With some newly hired colleagues, a 9 member WLC team met honorable Managing Director on 15/11/2018. New members formally introduced themselves and demonstrated their recently assumed job roles.

Each member of the team officially welcome the new colleagues. Other team members also discussed overall business insights and opportunities ahead. WLC has prospects of going in some bigger and more prestigious affiliations in recent future. The team also received most valuable and much needed instructions from the Managing Director.

O Level Teachers Meet

Some Members of WINGS O'Level Teacher's Pannel

Every week we meet with O level teachers to discuss study and exam plans, along with monitoring of student's progress. To ensure quality of our education, we have gathered top quality teachers to teach the various subjects. Every month, all the teachers have a meeting with the COO to discuss how to improve the quality of O level education further.

O Level Guardian Meet Programs

WLC organizes many extra-curricular activities for student. We provide one-to-one care to every child from primary to Olevels. Also Every month we update the parents about their child's progress through parents teachers meeting. Likewise a parents meet was held earlier this month.

Guardian meet with Olevel teachers

The COO of WINGS Learning Centre attended the meeting. The parents expressed positivity and spent time with the teachers to share their concerns and thoughts. The teachers thanked the parents for helping them in effectively guiding the children.

Selfie Contest Event

Selfie Contest participate WLC team

A selfie contest is a bit more complicated than a simple giveaway or sweepstakes. Alternatively you could run an Instagram hashtag contest, which automatically populates your campaign page.

When someone uses your campaign's hashtag when their photo to Instagram Facebook following this concept WINGS also created a selfie contest on 13th Feb 2019, and 14th Feb 2019, to gather some student's attention for WINGS. WINGS Learning Centre design a selfie booth for the selfie contest.

Most of the time the selfie booth stand at WINGS compound but randomly it use for others event in different places. In this selfie contest we fixed some rules for the participant such as.

- Contestant have to take photo from WINGS Learning Centre selfie booth with a group or individual.
- Contestant have to tag/mention/check-in their selected photo to our Facebook page WINGS Learning Centre.
- After their post they have to share their photo and collect likes as much as they can.
- Winner will be selected by number of likes.

In this February to April, 2019 WINGS promoted by selfie contest to seek attentions from public zone. This selfie booth was open for all including our visitors and students.

IELTS Crash Program

IELTS crash courses at WINGS

IELTS Crash Booster course aims the candidates needing relatively higher scores. It is a setup for the candidate to prepare them in broadly intensive manner. The is designed to ensure adequate time for lecture followed by substantial amount of real time practice at the presence of the teacher which is helpful removing all possible hurdles. The course is conducted by the senior most teachers of WINGS Learning Centre who can be called future Examiners for IELTS.

Open Seminar for MRCP Program

Open seminar "Successful Medical Career in the UK" held at WINGS

WINGS Learning Centre has become the official exam venue for MRCP exam since last October, 2018.

Since then many doctors and medical professionals became interested about WINGS. Recently WINGS hosted another event for the Doctors at its premise.

It was a open seminar titled as, "Medical Career in the UK" held at WINGS Learning Centre venue on 8th January. More than forty (40) doctors attended this seminar as participants.

Dr. Tanvir Hossain, MBCHB, MRCS, DM was the facilitator of this seminar.

The resource person himself is a Surgeon and Surgical trainer. He shared information from his practical experiences on why should Bangladeshi doctors pursue a career in UK and what to do to become successful in it. It was a very interactive seminar and participants expressed their wish to attend more seminars like this in future

Alumni Member of WINGS

My experience of being a part of WINGS Learning Centre is outstanding. Here I've found a very good atmosphere which helped me prepare for my IELTS exam.

I got skilled teaching professionals who assisted me in getting motivated for the crucial exam. The teachers are exceedingly competent as well as co-operative.

WINGS Learning Centre provides examinees with a learning friendly environment which makes the learners able to discuss and solve their individual problems.

Unlike other institutions, WINGS has spacious, well-resourced classrooms, well behaved staff and strict security which ensure a perfect atmosphere of learning.

It also enables the learners to get familiarized with the formal IELTS exam because it offers mock tests on regular basis. I am looking forward to the future of Wings Learning Centre and wish everyone in WINGS a great success.
